

## 50 024 gum spirit of turpentine, distilled

### product name:

- Gum spirit of turpentine, distilled.

### ingredients:

- Turpentine.

### basic information:

- Special purified (rectified) oil of turpentine obtained from selected conifers.

### characteristics:

- Waterclear
- non-resinous.

### handling:

- Thinner for oil colours and oil painting mediums.
- Thinner for varnishes based on mineral spirit (not mixable with varnishes based on alcohol!).
- Solvent for different natural resins, e.g. dammar and mastic resin and synthetic resins.
- Cleaning agent for painting tools like brushes and palettes if painting in oil.
- Close immediately after use.
- Store in a cool and dry place.
- Individual pre-tests are required (see footer).

### general hints for working with organic solvents:

- Use organic solvents only in well-ventilated areas.
- Avoid contact with skin – products have also strongly degreasing features.
- Waste with organic solvents should be disposed as hazardous waste.
- Further details for a safe handling you will get in the individual safety data sheet (see below).

### product labeling:

- Please refer to the individual safety data sheet on our website [www.schmincke.de](http://www.schmincke.de).
